

# Freestyle Libre™

## Eligibility criteria and renewal

For people aged 18 and over who have at least 2 years of experience in self-management of their diabetes and who meet the following 3 criteria:

### **Intensive insulin therapy**

AND

### **Frequent or severe hypoglycaemia**

AND

### **Need for self-monitoring of blood glucose at least 8 times a day**

The initial application is authorized for a period of 3 months to assess the patients' ability to use FreeStyle Libre™ and wear the sensor.

**\* Note: If you make your request online, you will get an instant response.  
Otherwise, please allow 10 to 15 business days for a response.**

Requests for further treatment are allowed for up to 12 months if the person demonstrates optimal use of FreeStyle Libre™, at least 70% of the time.
